Negro Man Wandering About Charleston Bottom Farms

The women and children of Charleston Bottom have been in a state of terror and suspense the past several days caused by the antics of a crazy colored man who unexpectedly appears and as suddenly disappears at farm houses and other places.

Yesterday morning he was seen wending his way across George Keith's watermelon patch. He was wrapped in a white sheet, bareheaded and shoeless; after reaching the river bank he disappeared down the C. and O. Railway track.

Nobody seems to know anything about him. The supposition is that he is an escaped lunatic. Here is work for Constable C. T. Marsh in capturing the fellow and solving the mystery.

REPUBLICAN CONVENTION

Hon. J. B. Bennett Renominated For Congress Yesterday

ILLEGAL REDISTRICTING

The Act of the Last Legislature is Held By Court to Be Unconstitutional

At Morgantown Tuesday Judge Galloway handed down a decision in the Circuit Court making perpetual the injunctions against M. S. Ragland, Chairman of the Butler County Republican Committee and also the Chairmen of the Committees in Ohio and Edmonson counties, restraining them from holding a primary on November 6th.

By this decision Judge Galloway holds the act of the Legislature, approved March 23d, 1906, which redistricts the legislative districts of the state, unconstitutional.

The case was appealed to the Court of Appeals, and it will be taken there at once, so that the Court can consider it at the beginning of the fall term.

If Judge Galloway's decision should be sustained all of the redistricting legislation of the past fifteen years would be invalid, and an extra session of the General Assembly would be necessary to redistrict the state.

The suit decided Tuesday was instituted several weeks ago at the instance of the Republican Legislative Committee, which is composed of Senator A. S. Bennett, Senator W. H. Cox, Representative W. C. Halbert and Representative H. K. Cole. It was brought in the name of a voter of Butler county, seeking to restrain the Republican Chairmen from holding a pri-

mary in the Twenty-sixth Legislative District, composed, under the act of the last Legislature, of Ohio, Butler and Edmonson counties.

It was alleged in the petition that the act was invalid because of unequal representation. Anderson and Spencer counties, neither of which has a population that will exceed 12,000, were each given a Representative in the House of Representatives, while these three counties, with an area and population four times as large, were given but one Representative. The unjust discrimination alleged was contained in the petition seeking an injunction.

The temporary injunction granted was to restrain the Republican Chairmen in each of the three counties in the District from holding a primary to select a nominee for Representative, the contention being that the act of the Legislature putting the three counties in one District was unconstitutional, and the Chairmen should not recognize the act.

The plaintiffs to the action were represented by Judge W. H. Holt and Judge George DuRelle, while the defendants were represented by Captain Natt Howard. Both Judge DuRelle and Judge Holt are confident of the outcome of the suit, and believe that Judge Galloway's decision will be sustained in the higher Court.

Mrs. P. A. Cave of East Fourth street has been on the sick list for a few days.

The venerable Mrs. Ann Whittington, who moved from this city a few months ago to make her home with her daughter, Mrs. John Anderson, in Cincinnati, Tuesday suffered a stroke of paralysis and is in an extremely critical condition. Mr. and Mrs. Ed. Whittington, Mrs. Sam Perry and Mrs. Clemmie Throckmorton left yesterday to be at her bedside.

Prof. Ramey, for the past fifteen years Principal of the Carlisle High School, has accepted a position as one of the instructors in Georgetown College.

Yesterday the four city Banks bought the \$6,000 worth of 6% Brick Street Bonds offered by the Ways and Means Committee. The bonds were sold at par, and the same Banks agreed to take the balance of the issue at the same figure. The investment is considered a good one.

Mr. Jesse Duzan and Miss Daisy Ross of the East End have been granted marriage license and will wed Saturday.

Mr. J. G. Darnell has taken the day turn at the key at the Fairgrounds during the absence of Mr. A. J. Boyd, and Mr. Steven D. Hunter will take Mr. Darnell's place at night.

Tuesday Miss Bridget Maher fell off the steps at the residence of Mr. Robert Newell in East Third street and was severely hurt, cutting a deep gash in her head, and for a time was unconscious.

Several pedestrians on Second Street Extension have had narrow escapes the past few days from being run over by drivers of various kinds of vehicles, who are now using the footpath to drive on instead of the driveway. There is an ordinance against bicycles being ridden on the sidewalks, and it now seems one is necessary for vehicles.

The people seem to be aroused to the need of such an institution and have responded liberally in subscriptions.

The company is to be incorporated with capital stock placed at \$14,000.

The Committee soliciting subscriptions is composed of Messrs. John Duley, Sam M. Hall, Holton Key, John Chambers, T. L. Holton, M. F. Coughlin and Dr. J. B. Taalbee.

The Kanawha towboats took advantage of the rise, too, to get out coal.
The Raymond Horner, J. B. Finley and Coal City reached Pittsburgh with empties.
The Sprague took 307,000 bushels of coal to New Orleans on her last trip. She had her hull scraped and painted at Algiers while in Southern waters.
C. M. Hollaway, the well known steamboatman and capitalist, is reported seriously ill at his home in Cincinnati. Charley Hollaway was a power in marine matters in the old prosperous days of the White Collar Line.

The three-days rise at headwaters meant lots of work for the rivermen, as the Pittsburgh harbor was practically emptied of its store of coal, and the many empties that got in will be taken to the mines, refilled and brought into the harbor for the next rise.

The United States boat, Wave Rock, with Captain Frank I. Locke and a corps of fifty-four engineers, surveying the Ohio river for the nine-foot stage, has reached Paducah on the way to Cairo. The engineers are traveling at the rate of three miles a day. They are now within fifty miles of the mouth of the river.

DUEL WITH WHIPS

Riva's Meet and Lash Each Other at Lexington Tuesday

A special from Lexington says John Berkley and Courtney Respass, young society men, engaged in a duel Tuesday with buggy whips. They were rivals for the affections of a young woman, and, meeting in the highway, became involved in a dispute.

They were driving each with a girl, and, jumping almost at the same time from their vehicles, they seized their buggy whips and began fiercely lashing each other about the legs and bodies.

The young women begged them to stop, but they would not until the girls had pretended to drive off without them.

Returning to town, they met, shook hands and vowed friendship.

The Druggist's Help

When sick you want the best physician, and the best physician requires the aid of the best druggist. Pharmacy is now a more exacting science than it used to be. New discoveries, new remedies and new ideas require the modern druggist to be up-to-date.

This is a thoroughly modern store. It exemplifies all that is latest and best on the professional side of pharmacy. Those who are careful in their drug buying, who want to feel secure, can find good reasons for bringing us their prescriptions.

CONFIRMED PROOF.

Residents of Maysville Cannot Doubt What Has Been Twice Proved.

In gratitude for complete relief from aches and pains of bad backs—from distressing kidney ills—thousands have publicly recommended Doan's Kidney Pills. Residents of Maysville, who so testified years ago, now say their cures were permanent. This testimony doubly proves the worth of Doan's Kidney Pills to Maysville kidney sufferers.

A. W. McClanahan, of A. W. and B. P. McClanahan, grocers, at 121 Second street, Maysville, Ky., says:

"I can endorse Doan's Kidney Pills more heartily today than I did five years ago when I told the Maysville people that this medicine had cured me of severe kidney trouble and backache that had bothered me more or less for twenty years and seemed to be growing worse and worse all the time. I repeat that I can more confidently recommend Doan's Kidney Pills today than I did in that testimonial because my cure has been permanent and I have had no kidney trouble for nearly five years. As proof that I am a firm believer in Doan's Kidney Pills I will be only too pleased to reiterate the above to anyone who may inquire. I got the remedy at J. Jas. Wood & Son's Drugstore."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
